# POWER TOWER

## Welcome to **POWER TOWER**

### The Powered Scaffold Tower

'Make life easy.' Push into position, step into the platform, press a button. Simple. Safe.

No more climbing large platform steps, podiums or erecting scaffold towers. Power Tower is the cost effective, safe alternative.

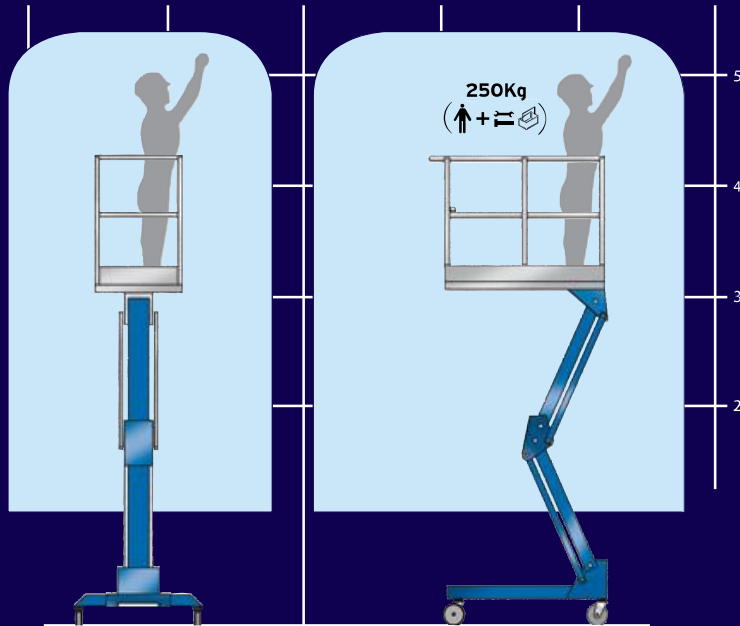

Designed and manufactured in the UK, the Power Tower is a simple, push around powered access platform, providing the operator simple, effortless access up to 5.1m working height from a compact working footprint. (0.78m wide x 1.5m long).

- 3.1m Platform height, 5.1m working height
- 250 Kg. Safe Working Load (1-Person)
- Compact - Only 0.78m wide, passes easily through standard doorways
- Large 1.5m x 0.65m platform size
- Only 0.78 x 1.5m working footprint
- Heavy-duty Auto-Lok castors provide a secure base
